Welcome Message

A warm and Sunny welcome (hopefully not just metaphorically) to the 6th Lakes Classic Vehicle Show organised by Windermere & Ambleside Lions Club. Thank you for your support as a result of which this year's major beneficiaries, Blood Bikes, Cumbria & Langdale & Ambleside Mountain Rescue Team will receive financial help.

This year we are expecting something in the region of 200+ exhibitors, many of whom, have supported this show since its inception. Without the exhibitors, there would be no show, but we hope that as well as perusing the vehicles you will have time to take advantage of the other things on offer. If you are hungry or thirsty then our range of caterers should be able to satisfy your needs, for the energetic there is the Pit Stop Challenge run by the students of Kendal College, Scalextric for the young at heart, music to lift the spirits, the pot shy to release any frustration on and various other things which we hope will entertain you.

Our thanks go to the main sponsors this year; Progression Solicitors & Rathbones Investment Company

we are also supported by many other sponsors, some of whom help us & the charities we raise money for, year after year. Thank you one and all. There have also been plentiful donations which mean our Bottle Tombola should not be bereft of prizes.

Gilpin Lodge Hotel have generously donated a stunning prize of 'One night dinner, bed & breakfast, including their taster menu' in Hrishi's Michelin starred restaurant. This includes aperitifs and matched wines, which we are holding a silent auction for. You can take part in this auction by visiting the secretary's tent and placing your bid, if you so desire.

I hope that this year's show runs as successfully as the previous ones. Those of you who help with other such events will appreciate what a mammoth effort it is to put something like this on. If you have a little spare time then we hope that you will consider helping Windermere & Ambleside Lions Club with our future events. It does not matter if you would like to become a member of our club or just volunteer to help us, your assistance and ideas would be of major benefit to us. You can contact us through our website www.lakeslions.co.uk or e-mail our secretary lakeslionssecretary@gmail.com.

The date for next year will be 17 June

If you can help us for next year's show please do get in touch with us and let us know if you would like to help in any way at all.

Thank you very much for attending the show this year. We really do appreciate your efforts in joining us each year.

Lions Clubs International

Windermere and Ambleside

At the heart of your community

Windermere and Ambleside Lions Club is part of Lions Clubs International, the largest service organisation in the world with 1.4 million members.

Lions Clubs International was founded in 1917 in America by Melvin Jones and now consists of over 46,000 clubs in 208 countries. The first Lions club in the UK was formed in London on March 1st 1950 encouraged by some Canadian Lions who had helped British children during the war.

On a visit to Canada, Queen Elizabeth, the Queen Mother, had personally thanked these Lions for their help and they suggested that a Lions Club should be formed in England. Lions in the British

Isles and Ireland now make up 945 clubs with a total of over 20,000 members.

The Lions Club of Windermere and Ambleside currently has 17 members and serves the communities of Windermere and Ambleside and also Grasmere, Hawkshead and Staveley helping financially with youth projects,

organising entertainment and trips for the elderly and disabled, delivering firewood in the winter to those who need it and lending a hand at local community events. The club raises money with events such as this classic vehicle show; with the summer fun festival and with the bouncy castle in Bowness on summer weekends.

Through the Lions Clubs International Foundation the club also helps with projects overseas including relief in disaster areas and provision of clean water, work to eradicate preventable blindness and other medical help for developing countries.

As well as the work, Lions enjoy social activities amongst their own club members and with members from other clubs. If you would like to become a Lion, either in this area or in your local home area please speak to one of the members who will be happy to give you more details or alternatively email Chris Amos at:

secretary@lakeslions.co.uk

Acknowledgments:

Windermere and Ambleside Lions Club would like to say a big thank you to all of our sponsors, advertisers and helpers.

Without their valued help and assistance this event would not be the success that it has become.
